

Nationwide Peachtree Software Training

Let Us Come To You!

Peachtreeforums.com offers hands-on training at your office. The class is designed specifically for CPA's and users of Peachtree Software. Whether you are new to Peachtree or just looking to polish the rough edges, this class will focus on making power users out of everybody.

What does the training include?

We bring the class room to you. This on-site class includes:

1. Laptops pre-loaded with Peachtree Software to follow along and practice on.
2. Certified Peachtree Consultant to lead and guide the class.
3. Travel charges are included in the price.
4. Classroom style teaching, including course syllabus and materials.

Remember:

- We will bring a maximum of 5 laptops to each class.
- You must have a room at your location with the capacity for the training course.
- We need a minimum of 30 day advanced notice.
